SECOND-LINE PARADE

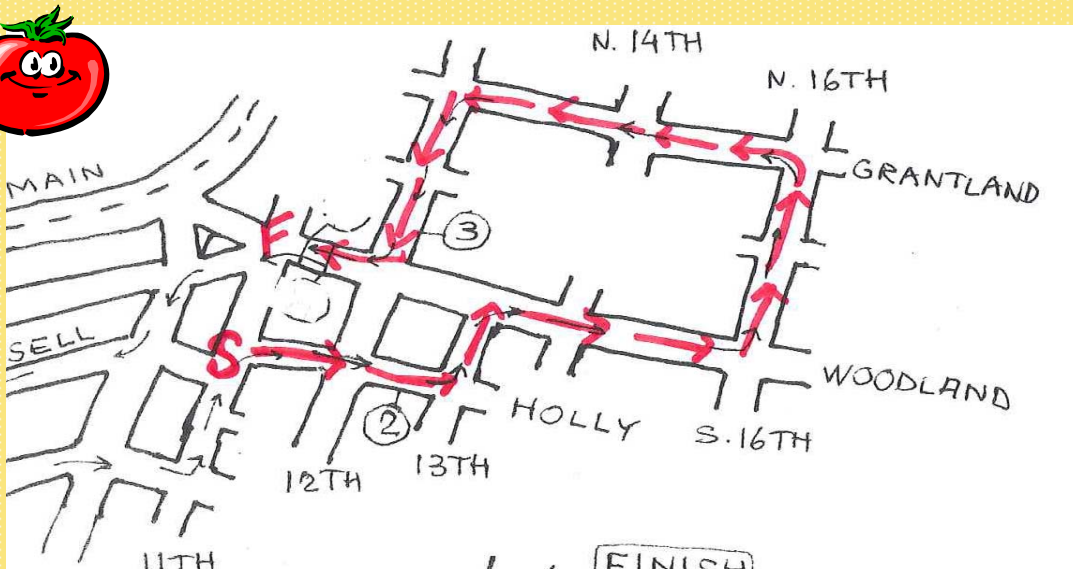

The 2009 Tomato Art Festival **Second Line** will be led by **HalfBrass** with a special guest appearance by the **Shack Brown Drum Line** from New Orleans.

Born under the influence of classic New Orleans tradition, Halfbrass creates festive atmospheres by mixing second-line brass band music with funk, jazz and rock. Audiences love Halfbrass for its unique sound and party-like shows – in its first year, Halfbrass was named a "**Top 5 Local Band**" by The Nashville Rage.

The parade steps-off at 9:00 A.M. from the corner of Holly and 11th Street. It follows part of the 5k run course and then ends at the Main Stage on Woodland between 11th and 12th Streets.

Dress up in your favorite tomato (art) costume, bring an instrument to play, and let's hit the streets!

For questions about the parade, contact Dave Thomas (born2step@gmail.com) or Joyce Kisner (mertyw@gmail.com), both at 262-8035.
